SENATOR LYNCH:      The bond...the bond is one thing, we didn't happen to have a bond in our bill. We had...it was a registration bill. It was to register contractors to make sure that they were legitimate.

SENATOR VRTISKA:    But if the contractor doesn't have anything and he's working on a shoestring, how you going to collect anything, that's...

SPEAKER BAACK:      Time.

SENATOR VRTISKA:    ...my point.

SENATOR LYNCH:      Then he shouldn't be doing the work, he shouldn't...

SPEAKER BAACK:      Do you have items for the record, Mr. Clerk?

CLERK:      Mr. President, I do. Your Committee on Government, whose Chair is Senator Schimek, reports LB 76 to General File with committee amendments attached. That's signed by Senator Schimek. Mr. President, amendments to be printed, Senator Wickersham to LB 348; Senator Schellpeper to LB 348; Senator Baack to LB 348; Senator Warner to LB 725; Senators Wesely and Byars to LB 837.
